**[Docket No. CP85-221-067]**

**Frontier Gas Storage Company; Notice of Sale Pursuant to Settlement Agreement**

September 26, 1996.

Take notice that on September 23, 1996, Frontier Gas Storage Company (Frontier), c/o Reid & Priest, Market Square, 701 Pennsylvania Ave., N.W., Suite 800, Washington, D.C. 20004, in compliance with provisions of the Commission's February 13, 1985, Order in Docket No. CP82-487-000, *et al.*, submitted an executed Service Agreement under Rate Schedule LVS-1 providing for the possible sale of up to a daily quantity of 100,000 MMBtu, not

to exceed 10 Bcf of Frontier's gas storage inventory on an "as metered" basis to Interenergy Resources Corporation, for term ending October 31, 1997.

Under Subpart (b) of Ordering Paragraph (F) of the Commission's February 13, 1985, Order, Frontier is "authorized to commence the sale of its inventory under such an executed service agreement fourteen days after filing the agreement with the Commission, and may continue making such sale unless the Commission issues an order either requiring Frontier to stop selling and setting in the matter for hearing or permitting the sale to continue and establishing other procedures for resolving the matter."

Any person desiring to be heard or to make a protest with reference to said filing should, within 10 days of the publication of such notice in the Federal Register, file with the Federal Energy Regulatory Commission (888 First Street N.E., Washington, D.C. 20426) a motion to intervene or protest in accordance with the requirements of the Commission's Rules of Practice and Procedures, 18 CFR 385.214 or 385.211. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection.

BILLING CODE 6717-01-M

**[Docket No. CP96-806-000]**

**Tennessee Gas Pipeline Company and Columbia Gulf Transmission Company; Notice of Application**

September 26, 1996.

Take notice that on September 20, 1996, Tennessee Gas Pipeline Company (Tennessee) and Columbia Gulf Transmission Company (Columbia Gulf), (referred to collectively as Applicants), filed a joint application with the Commission in Docket No. CP96-806-000 pursuant to Sections 7(b) and 7(c) of the Natural Gas Act (NGA) for permission to lease firm capacity to each other in accordance with a Reciprocal Operating Lease Agreement (Agreement), all as more fully set forth in the application which is on file with the Commission and open for public inspection.

The Applicants state that the proposed Agreement is designed to: (1) Provide Tennessee needed additional capacity on the South Pass 77 system;

(2) grant Columbia Gulf direct access from its mainline system to the South Pass 77 system through a lease of a portion of Tennessee's mainline facilities; and (3) amicably resolve a contract dispute between Tennessee and Columbia Gulf with respect to the Applicants' capacity rights on the South Pass 77 system which has impeded the attachment of new supplies the system.

Columbia Gulf will retain 115,000 Mcf per day as its capacity entitlement on the South Pass 77 system and lease to Tennessee any capacity it would otherwise be entitled to over and above 115,000 Mcf per day.

Columbia Gulf will lease 115,000 Mcf per day of capacity (an amount equal to Columbia Gulf's retained capacity entitlement on the South Pass 77 system) on Tennessee's mainline system and the South Pass 77 system to a point of interconnection between Tennessee and Columbia Gulf at Egan, Louisiana.

Applicants state that the lease of capacity will provide their customers with greater flexibility, increased supply and market opportunities. Tennessee's customers will have increased access to receipt points on the South Pass 77 system and Columbia Gulf's customers will have direct access to South Pass area production for the first time. Applicants also represent the Agreement will have no detrimental impacts on any existing customers. Further, applicants maintain this new access has the potential to increase the value of released capacity on both systems.

Any person desiring to be heard or to protest with reference to said application should on or before October 17, 1996, file with the Federal Energy Regulatory Commission, Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the
